

Hoofbeats Story

Imagine a little girl or boy with special challenges being able to ride a horse. Just like anyone else.. That's what Hoofbeats with Heart is about. We offer Equine Assisted Activities and Therapies for children in need. The therapies HBwH offers are in such need in our community and we want to bring it to every child. HBwH is the only Equine Therapy center in Arizona that offers so many programs under one roof. Physically and emotionally challenged children often have deep problems with self-image, confidence and expectations. These lead to paralyzing fears and reluctance to try traditional therapy programs. BUT - Put a horse in the picture "the silent witness" and these same kids are more willing to work at techniques that improve their overall skills. Equine therapy is the key to unlocking many of these children's challenges. At Hoofbeats with Heart our motto is "Come as you are" we are here to serve our families.

About the Show

Our missions of our Charity Horse Show, is to make this an annual event that is successful and builds mutually beneficial long term relationships with the horse and horse related business community. This will enable HBwH to build a successful scholarship program for families in need.. . Thanks for participating in our Horse Show.
