- 

FY 2013-14, Qtr. 2 Plans

Youth

The Queen Creek Branch will continue to run national programs such as Power Hour (Homework/Tutor time), National Fine Arts Exhibit and Healthy Habits. We will be running a bullying program to all of our members using curriculum from Nickelodeon. They are partnering with Boys & Girls Clubs across the nation in regards to educating parents, members and teachers on bullying.

Teens

We are linking up with Kohl's clothing store to help our teens with community service projects within the town. For every community service event we have with Kohl's, they will donate \$500.00 to our Keystone Club

We will attend the National Keystone leadership conference in Phoenix with BGCs all over the state to help our teens strengthen our leadership group as well as teen center.

Town of Queen Creek Partnerships

We will continue to communicate about program status and upcoming events within the community. We will continue to communicate on a regular basis with schools on educational matters to help our members succeed in school and track progress reports.

Tee-Ball program

We are in discussion with our other East Valley Branches about starting a T-Ball League/Coach Pitch due to the fact that we are not going to run basketball here at our Club. We will start in Jan.

Movies in the Park

We would like to start offering movies and popcorn in Founders' Park to our families. We will draft a plan and see what the TOQC Parks and Recreation Division thinks.

Charter School Partnerships

Began identifying nearby charter schools to offer our Boys & Girls Club program curriculum for their classrooms.
