Bridge Slated to Open Monday, March 24, 2008

Construction Project Nearing Completion

March 20 Dedication Planned

The Maricopa County Department of Transportation (MCDOT) contractor has nearly completed construction of the new bridge on Chandler Heights Road over the Sonoqui Wash. Soon our community will benefit from the newly completed five-lane bridge replacement of this flood and closure prone low water crossing. The project was constructed through a partnership between MCDOT and the Town of Queen Creek.

Supervisor Fulton Brock, the Maricopa County Department of Transportation and the Town of Queen Creek cordially invite you to attend a ceremony commemorating the dedication and opening of the Chandler Heights Road Bridge at the Sonoqui Wash. The celebration will begin at 10:00 a.m. on Thursday, March 20, 2008, and take place on the new bridge deck located on Chandler Heights Road between Sossaman Road and Hawes Road.

Thank you for your patience and cooperation during this construction effort.

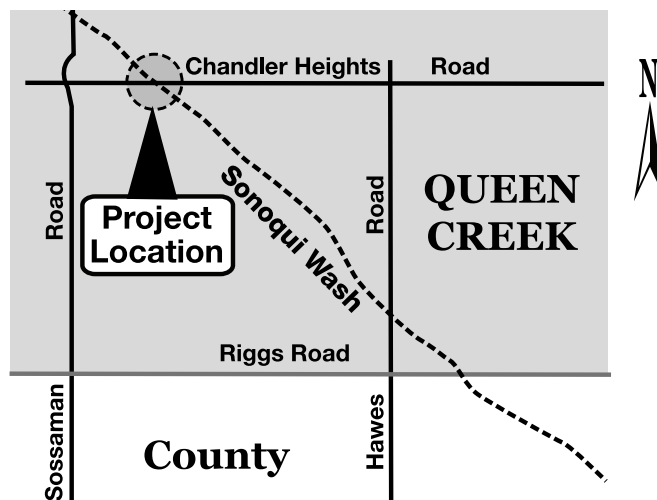

MCDOT
Project # T114
