INCLUSIVE PLAY

What is it?

- All residents, regardless of ability, have same opportunities to explore, discover, and achieve during play

Benefits all residents

- Play together; no one on the sidelines
- Equipment for all; do not separate play
- Integrated socialization; less time alone
- Interaction with peers
- Develop physical skills and abilities

INCLUSIVE PLAY (cont)

Benefits all residents (cont)

- Promotes active play
- Builds decision making and problem solving skills
- Develops social abilities
- Physical benefits of gross motor skill activity and exercise
- Parents/adults/caretakers connect socially
- Adult interactions with play; safety
- All users learn acceptance of those who are different
- Gain sensitivity to the needs of peers

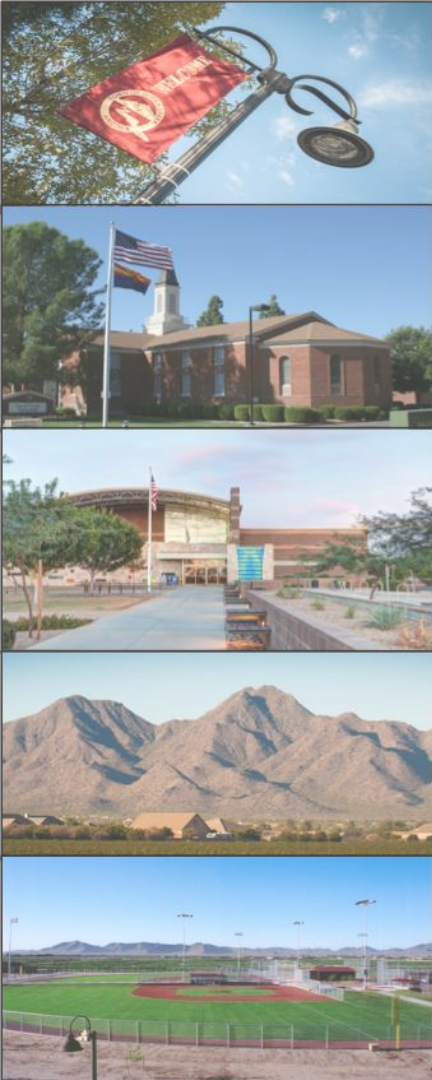

INCLUSIVE PLAY (cont)

The **5** elements of Inclusive Play

- Physical
- Cognitive
- Social
- Communication
- Sensory

Applies to **everyone's** play!
