

# Second Amendment to IGA for Library Services

## **Goal:**

Fair access to Queen Creek Library cards for all Town residents, including those in Pinal County .

## **Issue:**

Town residents in Pinal County pay \$50 per year for a library card at the Queen Creek Library.

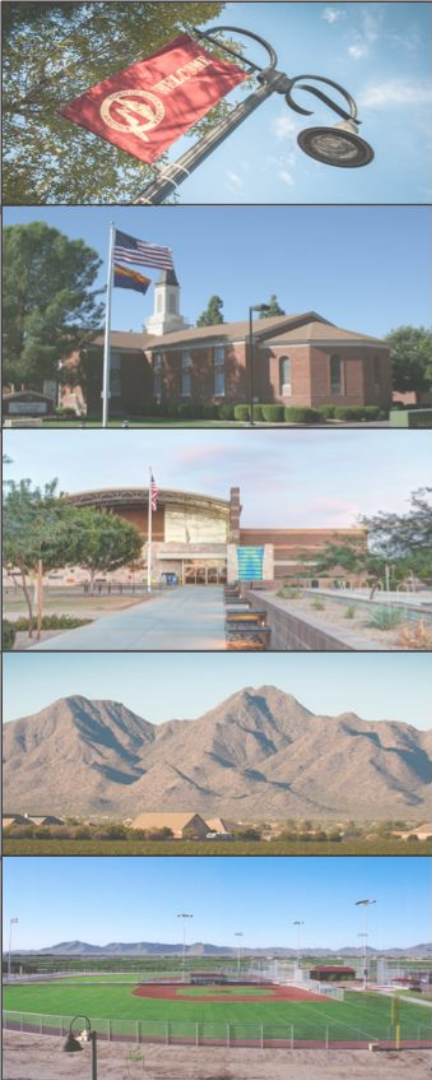

## **Direction is Requested:**

Possible approval of a second amendment to the Town's IGA with Maricopa County Library District in the amount of \$19,577 to provide free access to library cards for all Town residents.

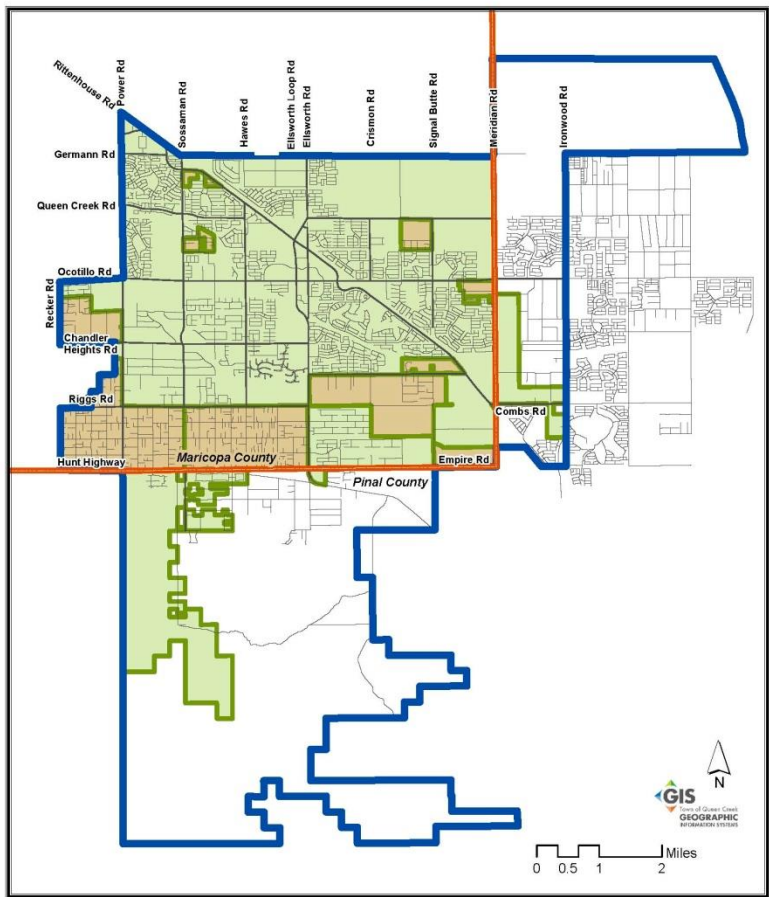

# Second Amendment to the IGA for Library Services

1. The Town would pay the Maricopa County Library District \$19,577 for the first year of the Second Amendment to the IGA. This allows all residents who live within Town limits and in Pinal County access to free library cards.
2. The amount will be reviewed each year, and is based on the Limited Property Value provided annually by the Pinal County Assessor for the properties within Town limits that are also located in Pinal County. The amount paid each year is equal to what the Maricopa County Library District Levy would be.
3. The Second Amendment would not change the expiration date of the current IGA, which is June 30, 2022.
