Get on the Road to Safety Celebration

The Queen Creek Fire Department, in conjunction with the Maricopa County Sheriff's Office, presents the "Get on the Road to Safety" celebration at Queen Creek Marketplace. The event will focus on educating the public on vehicle safety while offering fun family activities for the community. The event will run from 10 a.m. until 1 p.m. in the parking lot of the center and will feature displays and demonstrations from several Queen Creek public safety departments.

Car Extrication Demo

Using the Jaws of Life, the Queen Creek Fire Department will demonstrate cutting a passenger out of a vehicle damaged from a high-speed crash and treating them for life threatening injuries.

Car Fire Demo

The Fire Department will demonstrate the process of extinguishing a car fire, live!

Car Show

Community residents are invited to bring their collectible and historic cars to display at the no-host car show at the event. There will be no entry fee to display a car, and the first 200 cars on display will receive event goodie bags filled with great gifts. The car show will run from 9 a.m. until 2 p.m. with a manager's choice award presented by the Marketplace Manager at 1 p.m.

Event Displays

Enjoy displays of antique fire trucks, antique police cars, an Air-Evac helicopter, road equipment and Maricopa County Sheriff's Office vehicles. Learn how to properly install a car seat and the correct way to use a fire extinguisher through a state-of-the-art computerized demonstration. Enjoy food samples from the restaurants at Queen Creek Marketplace and browse displays from center retailers and other community businesses while visiting the event.
