A proud partner of the americanjobcenter network

Maricopa County Human Services Department
Workforce Development Division

Maricopa County Human Services Department Programs and Services

- Services for Individuals & Families facing Adversity or Crisis
 - Early Childhood Education
 - Workforce Services, like Job Search & Training Services
 - Rental Assistance
 - Utility Assistance
 - Energy Efficiency and Emergency Home Repair
 - Hand-in-Hand Street Outreach
 - Senior and Adult Independent Living Program
 - Additional Supports & Services

Integration and Coordination with Maricopa County Library District

- Through a partnership with the Maricopa County Library District, embedding a Workforce Development Coordinator to work with residents at four East Valley library locations
 - Queen Creek Library
 - Southeast Regional Library
 - Perry Library
 - Ed Robson Library

Partnership Objectives

1. Ensure a convenient location for residents to access and learn about all programs and services available through Maricopa County Human Services Department.
2. Provide comprehensive workforce services to the residents of the Town of Queen Creek and the surrounding areas.
3. Deliver career readiness workshops, i.e., resume development, interviewing skills, etc.
4. Coordinate the delivery of business services to local businesses and employers.
