TOWN OF QUEEN CREEK, ARIZONA
NOTES TO ANNUAL EXPENDITURE LIMITATION REPORT
JUNE 30, 2022

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Annual Expenditure Limitation Report (AELR) is presented as prescribed by the *Uniform Expenditure Reporting System* (UERS), as required by Arizona Revised Statutes §41-1279.07 and in accordance with the voter-approved alternative expenditure limitation adopted August 28, 2018, as authorized by the Arizona Constitution, Article IX. §20(9).

In accordance with the UERS requirements, a note to the AELR is presented below for any exclusion claimed on Part II and each subtraction or addition in the reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the Statement of Revenues, Expenditures and Changes in Fund Balances for the Governmental Funds, and the Statement of Net Position, Statement of Revenues, Expenses and Changes in Net Position, and Statement of Cash Flows for the Proprietary and Internal Service Funds.

NOTE 2 PENSION RELATED ADJUSTMENTS

Pension expense in the amount of \$395,124, reported as a component of administration operating expense within the Statement of Revenues, Expenses, and Changes in Net Position represents the proprietary funds' proportionate share of the actuarially calculated expense related to the Town's ASRS pension plan. As actuarially determined pension expense does not require the use of current financial resources, it therefore is subtracted from total expenditures for reporting under the UERS.

Conversely, pension contributions in the amount of \$753,907, which are reported as a deferred outflow of resources on the Proprietary Funds Statement of Net Position as required under Governmental Accounting Standards Board Statement No. 71, represent the use of current financial resources and, therefore, are added back to total expenditures for reporting under the UERS.
