Items for Discussion

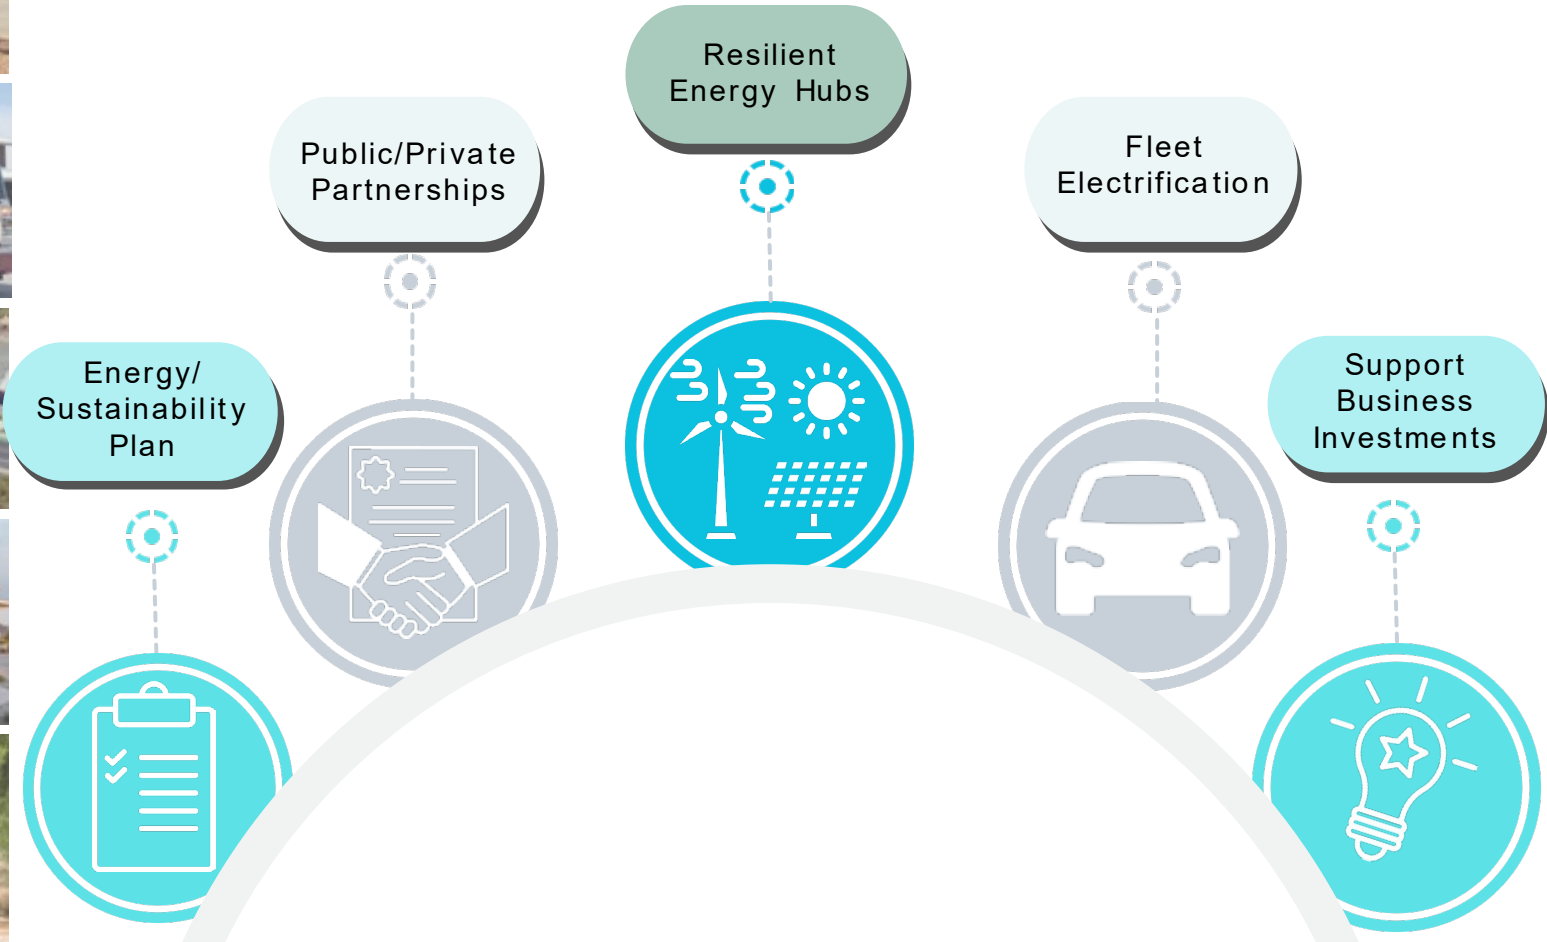

1. Is the Council interested in creating a comprehensive strategy for environmental innovation?
 - Electric vehicle charging
 - Solar at existing Town Facilities
 - Fleet Electrification
2. What opportunities would the Council like staff to include in an RFQ for the strategy?
 - This would consolidate all inquiries into the RFQ.
3. Would the Council like staff to procure consultant services for the strategy?
4. If there are areas to explore, would Council like staff to look for outside funding opportunities?
