A. Public Hearing and Possible Action on P22-0278 Barney Farm Germann/Meridian Commercial Rezone, a request by Greg Davis of Iplan Consulting, to rezone a 9.6 acre (approx.) site from EMP-A/PAD to C-2/PAD, located generally at the southwest corner of Germann and Meridian roads.

Senior Planner Sarah Clark presented the Barney Farm Germann/Meridian commercial rezone request. She outlined the project location, zoning designation and surrounding properties. She noted that the property is located within the North Specific Area Plan boundaries.

Ms. Clark said the request is to rezone 9.6 acres from EMP-A/PAD (Office/Industrial Park) to C-2/PAD (General Commercial). The General Plan designation is Industrial, however the 2018 General Plan allows for flexibility for rezoning requests under certain acreage and to reflect evolving market demands. Ms. Clark said the request is still generally consistent with the area and staff supports the request. She provided background information on recent zoning requests in the area and said this request tonight is a companion piece to a prior rezone.

Ms. Clark said a neighborhood meeting was held on February 6, 2023 with no members of the public in attendance and staff has not received any input from the public.

Greg Davis, Iplan Consulting, presented on behalf of the Barney family. He provided background history of the project and discussed roadway changes for Meridian and the new freeway and current market demands for the site.

There were no questions or comments from the commission. Chair Gillette opened the public hearing. There were no public comments and the hearing was closed.
