

Residential Street Sweeping Services Schedule

The Town of Queen Creek residential streets are swept once per month. Please have all vehicles, trash/recycling carts, and objects clear from the roads during your neighborhood's scheduled street sweeping day. Inclement weather and unforeseen circumstances may have an impact and temporarily alter the sweeping schedule.

*If street sweeping is missed due to inclement weather or unforeseen circumstances, the service will be rescheduled to the following week.

*Private and Gated Communities: Street Sweeping Services are managed by the neighborhoods' Homeowners Association (HOA).
