Professional Standards - Feedback

The officers were very polite and easy to talk too.

They were very nice and explained everything to me!

They were very helpful and handled the situation well

They were awesome. QC IS THE BEST IN MARICOPA.

One who called me today was very nice and appreciative of info that I gave

they were very helpful and said they were gonna find the kid that did this.

I'm thankful they were fast

She was very calm and kept me updated on when the cops we're coming

Thank you for your help!

Very polite

Very kind

They handled the situation well with the little information I was able to give them

Excellent. Love the QC department

They were very good with questions

she was nice and told me everything that i needed to do

Showed up faster than I expected. I forgot the officers names but they handled the situation quickly and calmly and searched the area

The police officer was professional in appearance and conduct. His service is appreciated.
Very helpful!
