CLI Alumni Feedback

"I believe the CLI program is very important to Queen Creek! The amount of information provided by the presenters on how the town operates was outstanding."

"I learned so much about our great community and it makes me want to be more involved. Wish I would have done this 20+ years ago when I first came to QC."

"I'm proud to have joined a great group of leaders and I am planning [on] giving back to our great community."
