

TOWN OF QUEEN CREEK

FY 2024-25 BUDGET

The Town of Queen Creek is required to pass a balanced budget annually. Expenditures must not exceed revenues. The budget is based on strategic and master plans that include community input and long-term goals.

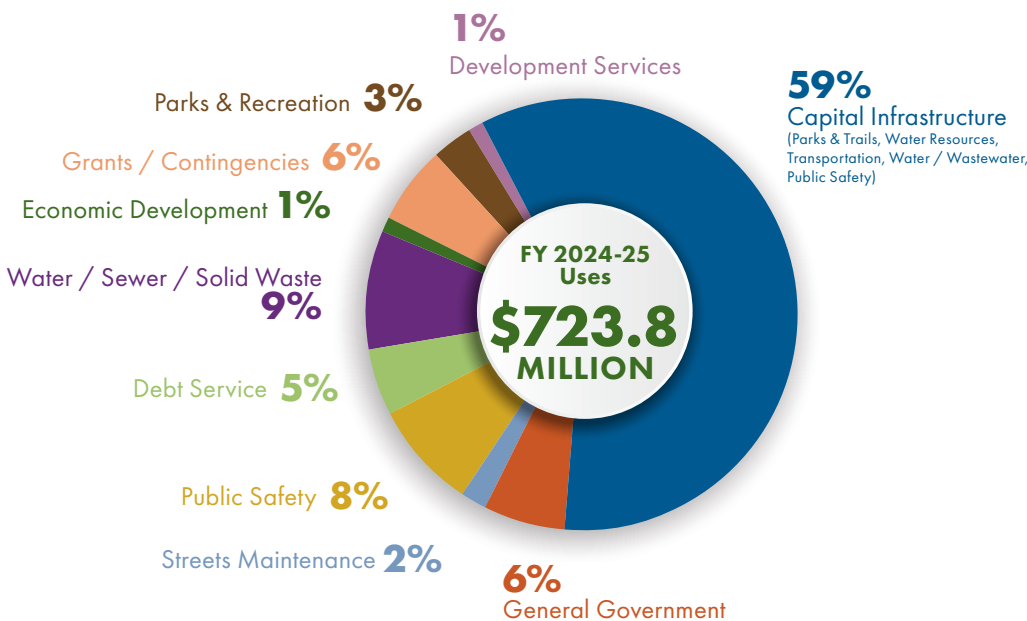

WHERE DOES THE MONEY COME FROM?

DID YOU KNOW?

The Town continues to evaluate opportunities to reduce taxes and fees for residents. **As part of the FY25 budget, the Council approved sunsetting, or eliminating the .25% Town Center sales tax.** The sales tax was implemented in 2007 to fund the construction of Ellsworth Loop and other Town Center infrastructure. **The tax will be eliminated effective Oct. 1, 2024.**

WHERE DOES THE MONEY GO?

DID YOU KNOW?

The FY25 budget is a 17% reduction from the previous year without reducing programs and services. While the budget has been reduced, the Town continues to prioritize infrastructure, with nearly 60% of the budget dedicated to capital infrastructure.

TOWN OF QUEEN CREEK

FY 2024-25 BUDGET

As one of the fastest growing communities in Arizona, the Town's current population is approximately 83,700. To meet the needs of a young, growing community, the budget prioritizes essential services while preserving and advancing the quality of life.

Building a Community

Incorporated in 1989, the Town of Queen Creek is celebrating 35 years as a municipality. With a population of just over 2,100 in 1989, the Town has grown to approximately 83,700 in 2024. To ensure the Town continues to provide a high quality of life, promote a strong sense of community, protect residents and provide world class public services, investing in infrastructure and public safety while making fiscally sound decisions remain a priority.
