

- 1. Ellsworth Loop Road/Maya Road**
 The northbound right lane will remain closed until repairs can be made to the curb and gutter just north of Maya Road.
- 2. Ellsworth Road/Rittenhouse Road**
 The northbound shoulder just south of Rittenhouse Road will be closed while crews complete installation of utilities for the commercial development on the southeast corner. This work will necessitate the restricting of right turns from northbound Ellsworth Road to eastbound Rittenhouse Road.
- 3. Ocotillo Road – Power Road to Hawes Road**
 Utility valve adjustments will be required throughout.

Motorists are cautioned to drive with care when in areas impacted by construction and maintenance operations, and to obey all reduced speed limits, warning signs, directions from flaggers and off-duty deputies.
